Cat nr	Ø x height (mm)
5058501	12x40
5058541	15x60
5058543	15x80
5058546	15x90
5058544	10x100
5058545	15x100
5058548	20x100
5058550	20x120
5058558	25x150
5058559	30x180
5058560	30x200
5058561	50x200

Material:

Clear soda-lime glass

Features:

Microorganism and cell culture

Hydrolytic resistance class III

Medium thermal shock endurance

Resistant to steam sterilization at 121°C or 132°C

Resistant to dry heat up to 180°C

Brand and manufacturer:

Brand: Normax

Manufacturer Normax - Fábrica de Vidros Científicos, Lda.

Address: Rua Santa Isabel, 17
2430-475 Marinha Grande
Portugal

Tel: +351 244 572 064

Fax: +351 213 516 246
